## What Happened to Sunday?

Pastor Jeff Peters

**Exodus 20:8-10** *Remember the Sabbath day to keep it holy. Six days you shall labor and do all your work but the seventh day is the Sabbath of the LORD your God, In it you shall do no work; you, nor your son, nor your daughter, nor your male servant, nor your maid servant, nor your cattle, nor your stranger who is within your gates.* I know this will date me, but David Letterman didn't come up with the original top ten a Holy God did in dealing with His people so He could bless their lives.

God designated the law of the Sabbath to teach us stewardship of time. God Himself labored six days in creation and rested on the seventh. God wasn't tired - He was leading by example teaching us the importance of dedicating one day for rest, from physical labor and for us spiritual enrichment.

The Hebrew word for "holy" means to set apart for a purpose. Unfortunately we have allowed our culture which isn't Christ centered to redefine "holy" and it is more often than not in direct contrast to the Bible's definition. When the Bible calls something holy it is not speaking of purity or righteousness, rather that something is "set apart" from everything else to do a job or have a purpose. The Sabbath for Jews and Sunday for Christians has been "set apart" for a different purpose than any other day - it has been "set apart" for the rest of our bodies/minds and the enrichment of our spirits.

**1 Peter 1:15-16** *but as He who called you is holy, you also be holy in all your conduct because it is written, "Be holy, for I am holy".* God isn't putting something on us that we can't carry or requiring us to be perfectly sinless on our own. He is saying He wants us to choose to be uniquely different from our surroundings (the world) and focus on the way He is.

**Revelation 4:8** *The four living creatures, each having six wings, were full of eyes around and within. And they do not rest day or night, saying, Holy, Holy, Holy, Lord God Almighty, Who was and is and is to come!* The angels are proclaiming the holiness or uniqueness of God and how different He is from all creation. In essence they are saying; God you are so set apart from anything and everything in every situation! There is no one who loves like you do! No one has the perspective that you do! No one in all the earth is as kind and merciful as You! Your justice is like no other justice in the Universe! You are so uniquely different than anything else you have created! We could go and on proclaiming how "set apart" He is and that is exactly what the angels do and are doing.

I believe now is the time to redeem our calling, a holy calling that sets us apart not only from the world, it's system and values but also sets us unto the Lord to enjoy His Presence and all the benefits that He has provided for us
